REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: The amendments of paper dated 9/8/2004 deleted claims 1-9 and added claims 12-16. The closest art to the current claims is Teraji (US Patent #4,382,934) and Bar (US Patent #5,585,378). Teraji teaches compounds as shown in their abstract but these compounds do not have the proper substituents for claim 10 nor the proper use for the claims 11-16. Boar does not teach the same or similar use for the compounds disclosed. Due to this, the instant claims are free of prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to D. Margaret Seaman whose telephone number is 571-272-0694. The examiner can normally be reached on 630am-4pm, First Friday Off.
